[Prayer]

"With the grace of Allah alone the heroic martyrdom bomber brother `Umar al-Faruq managed to carry out a special operation on an American Airplane, from the Dutch city Amsterdam to the American city Detroit, and this happened during the Christmas holiday, Friday December 25, 2009. He managed to penetrate all devices, modern advanced technology and security checkpoints in the international airports bravely without fear of death, relying on Allah and defying the great myth of the American and international intelligence, and exposing how fragile they are, bringing their nose to the ground, and making them regret all that they spent on security technology."

"Indeed, the unity of `aqidah and brotherhood in Islam is what prompted the young man from Nigeria, the mujahid brother `Umar al-Faruq, to respond directly to the American aggression - the oppressor upon the Arabian Peninsula. And this was through direct coordination with the grace of Allah, with the mujahidin in the Arabian Peninsula right after the brutal bombings including the use of cluster bombs and cruise missiles launched from U.S. warships in the occupied Gulf of Aden on the Yemenite tribes in the Abyan province and the last attack on Shabwa, as well as the killing of dozens of Muslim women and children and entire families; and these operations were coordinated from Yemen, America, Saudi Arabia and a number of neighboring countries."

"The mujahidin brothers in the manufacturing department managed with the grace of Allah to make an advanced bomb. The bomb had been tested and proven effective as it has passed through the detector ports. The martyrdom bomber managed with the grace of Allah to reach his target, but due to a technical glitch, the bomb did not explode completely; and we will continue on our path until we get what we want and all worship is devoted to Allah alone."

"We call on every Muslim who feels any jealousy for their religious beliefs to expel the polytheists from the Arabian Peninsula, by killing all of the crusaders working in embassies or otherwise, and to declare war against the crusaders in the land of the Prophet Muhammad – peace be upon him – on the ground, sea and air."

"And we call on every soldier working in the crusader armies and puppet governments to repent to Allah and follow the example of the heroic mujahid brother Nidal Hassan; to stand up and kill

all the crusaders by all means available to him, supporting the religion of Allah and to make the word of Allah most supreme on earth.”

“Hence, we say to the American people: as you support your leaders and are standing behind them to kill our women and children, rejoice for what is coming to you! We will come to you with slaughter and have prepared men who love death as you love life, and with the permission of Allah we will come to you with something you cannot handle. As you have killed us, so shall you be killed, and that tomorrow for its seeker is close.”

“Those who are bent on wrongdoing will in time come to know how evil a turn their destinies are bound to take!”

“Oh Allah make brother the mujahid `Umar al-Faruq steadfast on the truth, and send down to him inner peace, patience and persistence. O Allah remove his misery and his problems. O Allah remove him soon from his current situation as he never expected to be removed from. O Allah free him and all the Muslims in the East and West from prison, without leaving the path of the truth, and let them leave prison steadfast on the truth with Your mercy, O Most Merciful. O Allah grant victory to the righteous servants, the mujahidin everywhere, and defeat falsehood and the people of falsehood. All praise and thanks belongs to the Lord of the Worlds.”
