27
28 AA: *It will take like half an hour to load it.*

23
24 UM: [UI]
25
26 AA: *I think this, this to be nice. Especially that one there I mean you*

6 *[Albanian]. Would you know, 7 millimeter, 150 grain, that's it,*
7 *right? How long will it, will it take if I buy this? I'm from ah,*
8 *we're from Jersey?*
9
10 UM: *We can't sell them to the people from Jersey.*
11
12 AA: *No?*
13
14 UM: *It's a state law.*
15
16 AA: *Are you sure?*
17
18 UM: *Yeah, these days they have a strict, stricter policies in New Jersey.*
19
20 ED: *He has firearm license.*
21
22 UM: *So.*
23
24 ED: *That's only Dick's policy?*
25
26 UM: *No, ah it's new for the year, ah because ah, New Jersey is stepping*
27 *up a bit more with their gun policies this year. Um, Pennsylvania*
28 *decided that um....*
29
30 ED: *They didn't want to be a part of it.*
31
32 UM: *Not gonna sell.*
33
34 AA: *Did, did they have the same thing in the other store?*
35
36 ED: *What other store?*

45 UM: *At what store?*

1 ED: *Gander Mountain.*
2
3 UM: *Gander Mountain?*
4

10 *yet?*
11
12 UM: *They might be....*
13
14 ED: *They said yeah.*
15
16 UM: *They may be trying to sell their guns out to whoever because*
17 *they're shutting that store down so they are trying to get rid of the*
18 *firearm and stuff.*
19
20 ED: *Alright, well, since I can't buy here I might have go over there so.*
21 *Do you mind if I write down?*
22
23 ED: *I don't even think that they have that stuff...*
24
25 AA: *This has a lot bigger charge than the AR 15. [UI]*
26
27 DD: *How much for the rounds? For these anyway? How many come*
28 *in here?*
29
30 UM: *20?*
31
32 DD: *20 rounds?*
33
34 AA: *These are probably reloadable too.*
35
36 DD: *Yeah.*

38 UM: *These are 32 because they are Winchester [UI] but you can get*
39 *them for about 15 to 16 dollars.*
40
41 DD: *20 rounds?*
42
43 UM: *Yeah.*
44
45 AA: *It depends what, what grain probably too.*

9 UM: *Yeah, so they're nickel.*
10
11 DD: *Alright, thanks a lot.*
12
13 AA: *Okay so the bottom line is we can't buy it. Can you write that*
14 *down for me, please? See man Jersey, Jersey blows, I swear to*
15 *God, look here, here you got stuff all over the shelf, Jersey it's all*
16 *locked up, you gotta call the damned feds to buy bullets and stuff.*
17 [UI]
18
19 UM: [UI – background conversation]
20
21 AA: *I appreciate it man.*
22
23 UM: *And uh if you find somewhere that has it but it like a bit more, find*
24 *out if they match prices with Dick sporting goods because then*
25 *they can just call up the local, nearest Dick's sporting goods, and*
26 *they will ask us how much. [UI] and then they probably match.*
27
28 ED: *Where is the gun shop that sells a good variety?*
29
30 AA: *Like an actual gun store.*
31
32 AA: *I can't buy it anyway.*
33
34 ED: *You probably could, depends on the store.*
35
36 UM: *I think they may be exempt because they're shutting down couple*
37 *of stores in Pennsylvania and they need to get rid of the guns.*
38
39 ED: *Aha.*
40
41 UM: *Gun [UI] at 9 [UI] may still be open.*
42
43 ED: *Where is that?*
44
45 UM: *Ahh .*

1
2 ED: *We got lost, please give us good directions, some guys told us to*
3 *go south instead of north*
4
5 [UI conversation in background]
6
7 UM: [UI] *keep going.*
8 [Giving directions – difficult to hear]
9
10 UM: *Alright man thank you*
11
12 CW-2: [UI] [Laughs] *One more time.*
13
14 UM: *Keep going straight. [UI]*
15
16 CW-2: *Once more Sula, we are going to get lost. one [1] more time.*
17
18 [UI conversation]
19
20 ED: *Which way we go home brother?*
21
22 [UI conversation in background]
23
24 CW-2: *Heat, heat, heat.*
25
26 DD: *Walmart he say.*
27
28 ED: *Walmart is that way.*
29
30 DD: *Yeah*
31
32 CW-2: *Dritan heat please!*
33
34 [Background conversation]
35
36 AA: *I was going to give you one [1], this time.*
37
38 CW-2: *Heating once more.*
39
40 DD: *That one was a good one, but expensive bullets.*
41
42 AA: *He had the whole, the whole thing to though.*
43
44 DD: *It will be better with M-16 with those bullets. You can shoot one in*
45 *the forehead from 2,500 meters.*

1 AA: Easy
2
3 DD: Yours goes 1000 meters.
4
5 AA: Yeah, yeah.
6
7 DD: Sometimes it can go 3,000 meters.
8
9 AA: With that you can hit 1000 yards probably accurately. You can
10 actually hit a target at, at ah 1000 yards.
11
12 DD: 3000 feet. [UI – simultaneous conversation with AA]
13
14 AA: 50 feet high [UI]
15
16 DD: That more than a quarter of a mile you can nail somebody, one
17 thousand [1000]meters.
18
19 AA: Does it have a scope though?
20
21 DD: You have to buy one of them scopes for 600 bucks, 700 bucks.
22
23 CW-2: You mean sniper, the eye?
24
25 AA: Yes, scope.
26
27 DD: Yeah when you hit with that..
28
29 CW-2: Yeah if you buy that.
30
31 DD: For us it's better an AK or an M-16.
32
33 ED: I would like practice.
34
35 DD: I know the bullets are expensive?
36
37 AA: Yeah, but you can buy them cheaper, sixteen [16]bucks.
38
39 DD: About one [1] dollar for a bullet.
40
41 AA: And you can reload those too, brother. You can buy reloads too.
42 [UI] you get the gun powder
43
44 DD: After you have bought it, yeah.
45

1 [Noise of driving car]
2
3 DD: *Just keep going. You see Olive Garden?*
4
5 [UI - Background conversation about directions to store]
6
7 UM: *He actually tried to help us out.*
8
9 ED: *When you do it last minute [UI] it's hard.*
10
11 DD: *It's good to see just if we can get it, number one [1].*
12
13 UM: [UI]
14
15 DD: That's good, they were two twenty three [223], they were not bad
16 they were big.
17
18 ED: *The charge was big.*
19
20 DD: *Anything, any piece of metal goes in you're freakin head your*
21 *done. Anywhere*
22
23 AA: *We're not trying to kill nobody.*
24
25 ED: *I can't believe the American Army uses 223*
26
27 AA: *It goes, it goes far.*
28
29 ED: *That's the point bro.*
30
31 AA: *It goes, it goes far.*
32
33 ED: *It's freaking loud, bau, bau, bau,bau,bau.*
34
35 AA: *Yo that one?*
36
37 DD: That one kills you. It cuts your arm off.
38
39 ED: *It will blow your head off.*
40
41 DD: *Did you see that fucking bullet.*
42
43 AA: *They were big*
44

1 DD: With that fucking bullet size, it was *humongous*. It was this much.
2 *It's the charge.*
3
4 AA: *That's a lot of gun power. I don't have the money. I gave up on*
5 *that.*
6
7 ED: *Shqipe [Albanian] listen. If you go to a place, don't look at us too*
8 *much, we are going to tell you yes or no in Albanian?*
9
10 AA: *Okay.*
11
12 ED: Tell him I need to see it too *and act like you are in control.*
13
14 AA: *Okay.*
15
16 DD: *The first thing you should ask him I am from New Jersey. I am on*
17 *vacation and I want to shoot something different, that's it, if they*
18 *say no just walk away.*
19
20 AA: *Don't waste their time.*
21
22 DD: *Don't waste their time.*
23
24 DD: Things are more complicated. [UI- Noise of car] *Independent*
25 *stores, they just want to sell and make money.*
26
27 [UI – Noise of car]
28
29 ED: *Yeah, I know.*
30

32
33 DD: *See over there Pizza Hut.*
34
35 ED: *Make right here?*
36
37 [UI - Noise of car]
38
39 DD: *You are going to see it. You can't miss it, it is white building.*
40
41 ED: *Gun powder supply. Turn here.*
42
43 DD: *Right here, it's closed. Gun powder supply.*
44
45 ED: *Get the phone number?*

1 AA: You sure it's closed?
2
3 ED: Yeah, they're closed Thursday til 6 they were open
4
5 DD: Eight [8] seven [7] six [6] two [2] one [1] one [1] zero [0].

12 CW-2: Five seven zero [570], I think.
13
14 DD: Motherfucker.
15
16 ED: Five [5] seven [7] zero [0] eight [8] seven [7] six [6] one [1] one

20
21 ED: Look.
22
23 DD: -2110, -2110

26
27 ED: I got it [UI].
28
29 DD: For the serious shooter [UI] he has M-16 everything.
30
31 AA: Yo why is the light on?
32
33 ED: Hello is this Six Guns?
34
35 UM: Put the light on.
36
37 CW-2: You have open doors, ah?
38
39 DD: No.
40
41 CW: Why this light does not shut off?
42
43 ED: Eight [8] seven [7] six [6] one [1] one [1] one [1] three [3]
44
45 DD: Who are you calling?

1 ED: Oh [Dialing].
2
3 DD: *Your door may be open. The light does not shut off or you put it on.*
4 *Probably you left it on, yeah..*
5
6 [Sounds of opening and closing door]
7
8 ED: *It's not far this place. If we can catch anyone over here.*
9
10 DD: *Go the way we know.*
11
12 DD: *Don't even think about it.*
13
14 ED: We are going down.
15
16 AA: *Why is he doing that?*
17
18 DD: We are going down the freaking hill bro. [Laughs]
19
20 DD: *Just keep it steady will you.*
21
22 ED: We are going down. I fucked it.
23
24 DD: *What's the range on this?*
25
26 ED: *Would you hit the American soldiers in Iraq*
27
28 DD: *From a mile away.*
29
30 AA: *Not quite a mile, it shoots about three quarters [3/4] of a mile.*
31
32 ED: *Do you think I can be like Chuba the sniper?*
33
34 DD: *Do you think I can stand far enough from the White House?*
35
36 ED: *Do you think I can hit George Bush from [UI – car noise]*
37
38 DD: *They will blow your fucking head away.*
39
40 CW-2: *Who said so? Ha.*
41
42 CW-2: *Who said so?*
43
44 ED: No, no, if you ask him.
45

1 ED: *Can you shoot an American soldier from a mile away and kill him?*
2
3 CW-2: *Uh huh.*
4
5 DD: *That kind of bullets destroy you.*
6
7 DD: *That's a one [1] shot kill, that's what they expect.*
8
9 DD: *One [1] shot and the business is finished. [UI]*
10
11 ED: *They shoot them in the middle of promotion [UI].*
12
13 AA: *Oh yeah.*
14
15 DD: *All the way to the ass. Sniper is dangerous.*
16
17 ED: *Yes.*
18
19 ED: *[UI] You don't face a sniper.*
20
21 *[UI conversation in background]*
22
23 AA: *More dangerous fighting machine right there.*
24
25 ED: *What happened to that commander? Right when he entered the*
26 *kitchen of that building boom got shot..*
27
28 DD: *Right in the head.*
29
30 AA: *Which commander?*
31
32 ED: *The American commander in Iraq.*
33
34 DD: *That 10 hour battle in Haifa Street?*
35
36 AA: *Yeah.*
37
38 DD: *This commander was raiding a building, an apartment building.*
39 *He just went to the kitchen boom right in the head Sergeant the*
40 *leader of the squad. He just went in, not even ten seconds he got*
41 *fucked in the head. This guy just waited.*
42
43 ED: *It's dangerous you don't know where he's at.*
44
45 ED: *They just closed themselves in the room, in the apartment.*

1 DD: *If he hits you and he leaves, that's it, he did his job. Got one,*
2 *that's good enough.*
3
4 ED: *Play it safe, let me come to kill another day.*
5
6 DD: *Fuck somebody up.*
7
8 DD: *You don't want to lose your position, once they find your position.*
9
10 AA: *You don't want to see nobody's brain blow up.*
11
12 DD: *You don't even give a shit. Too far away. You don't feel... [UI]*
13
14 AA: *Yeah. Close up is terrible. Scars you.*
15
16 [UI - conversation in background]
17
18 AA: *Scars you for life.*
19
20 DD: *You just see him falling.*
21
22 DD: *What are we going to do tomorrow? Are we going to shoot the real*
23 *pieces first?*
24
25 ED: *Yeah, we can shoot [UI]*
26
27 DD: *[UI] I'd rather [UI] the real pieces first [UI] we can hit it off with*
28 *those.*
29
30 DD: *Everyone is gonna go with paintballs and I'm going with the real*
31 *one.*
32
33 ED: *I say we shoot the paintballs first because, if we shoot with the real*
34 *ones first, we will have no feeling with paintball guns.*
35
36 ED: *Yo, it's a big city, ah?*
37
38 DD: *Yeah.*
39
40 AA: *To have a house there, nice view.*
41
42 CW-2: *Oh shit.*
43
44 DD: *Wish to have a gun store somewhere in here.*
45

1 ED: If you had a good sniper, you'll hit somebody down at the yellow
2 light down there, the yellow sign. Not the first one, the second one.
3 See those three signs in a row.
4
5 CW-2: It can go more.
6
7 DD: Oh easy.
8
9 CW-2: Easy that one.
10
11 DD: Especially from this high range, the bullet going down.
12
13 AA: That's far
14
15 ED: That is far.
16
17 DD: They hit it bro, they hit it.
18
19 AA: You need a nice scope.
20
21 DD: Yeah, scope...
22
23 ED: I am saying look how far you can be.
24
25 AA: You need a nice scope.
26
27 ED: You need aim.
28
29 AA: Range. You got to be good. You got to know your range, your
30 wind, your everything.
31
32 ED: That's why I want to learn nothing close most of the battles are
33 beyond 200 meters.
34
35 DD: Everything goes pretty much that range.
36
37 ED: Sure beyond 200 meters, you rarely are 50 meters.
38
39 DD: That's why they shoot freaking automatics, wherever it goes dat
40 dat dat dat [imitating automatic weapon].
41
42 ED: The most we practice on is the 100 meters, 200 meters rarely, and
43 we don't hit it.
44
45 DD: We go practice tomorrow.

1 ED: That's not practice.
2
3 AA: *Tomorrow we can go to the mountain on the top and then just put*
4 *some targets in the bottom.*
5
6 DD: *Bottles, whatever. We have a lot of cans, as many as you want.*
7 *200 meters.*
8
9 ED: *Balloons*
10
11 AA: *I had them too.*
12
13 ED: *Buy nice size balloons, blow them up the size of the head, pop!*
14 *The best.*
15
16 DD: *Balloons are the best.*
17
18 ED: *200 meters.*
19
20 DD: *Sure.*
21
22 ED: *Buy duct tape, duct tape them up.*
23
24 AA: *Staple them too.*
25
26 ED: *Staple, duct tape, either way.*
27
28 DD: *Do you have a stapler Shepa?*
29
30 AA: *No, I don't have it.*
31
32 DD: *Tie them up with string right there.*
33
34 ED: *Easy with the duct tape*
35

13 DD: Don't forget, we are going paint ball shooting. We got enough.
14 Aim, do it with aim, try and do it. If you want to go crazy that's on
15 you. You go buy your own bullets after that, you know what I
16 mean. You do what you want. If you run out bullets you go to the
17 store. It's not my problem, I have.
18
19 AA: 160 enough. [UI]
20
21 DD: The 9s are gonna go the most.
22
23 DD: You got the handgun and my Beretta. So, I got another thousand.
24 If people want extra, I can sell it to them. I got 20 shotgun rounds
25 myself that I saved. I got freaking hollow tip bullets.
26
27 CW-2: What about for Muhamet and the other guy. When they come, will
28 you save bullets for them?

45 DD: We should paintball. [UI]

1 AA: *You know what I think we should save it for later.*
2
3 ED: *Why?*

7 *run out we gonna want to shoot .*
8
9 ED: *What I'm saying, when we buy it, inshallah, when we gonna shoot?*
10
11 DD: *If we do it with balloons it's going to be smooth, people ain't*
12 *gonna waste, bullets will last 3 trips, do it with balloons. If you*
13 *are fucking crazy you can waste a thousand rounds in half an hour*
14 *Let's see how we gonna do it. Do you want to do it the right way,*
15 *you want to try to aim? If you want to learn, you want to practice.*

16 ED: *While Zargawi was alive. How come, how come all the troops*
17 *they send there still the same number of troops there.*
18
19 DD: *140,000. There should be almost 300,000 and some thousand*
20 *troops there. They are fucking dead, that's why they keep sending.*
21 *But, they don't show the Americans, they show 3,000, ten years*
22 *later there will be 100,000 killed. [Laughs]*
23
24 ED: *75,000 easy 80,000. America can carry 50,000 killed 100,000 plus*
25 *wounded.*
26
27 ED: *Al Zargawi, the mujahideen groups have increased in Iraq. There*
28 *are more targets now. The mujahideen have increased.*
29
30 DD: *Sure, they are killing them.*
31
32 ED: *America is sending more targets now.*
33
34 DD: *Yeah, America can take it.*
35
36 ED: *America, they are stupid.*
37
38 CW-2: *How do you guys know this much, too much things?*
39
40 DD: *We watch it in the Internet. We look everywhere.*
41
42 CW-2: *Oh, it's in the Internet everything?*
43
44 DD: *In the website.*
45

1 AA: *You watch both sides you know.*
2
3 ED: *Exactly.*
4
5 DD: *Who would you believe mujahideen or the America? Number one,*
6 *we know American news is bullshit.*
7
8 AA: *Yeah it's all controlled by the, by the Jews.*
9
10 DD: *The mujahideens don't lie my friend.*
11
12 ED: *He said it the commander.*
13
14 DD: *That's why they record almost every operation. You saw those*
15 *videos?*
16
17 AA: *Yeah.*
18
19 DD: *They record everything to get proof, look how many we are killing.*
20 *I have seen 3,000 just killed by only big sniper.*
21
22 AA: *Yeah, right.*
23
24 DD: *Forget about how many killed by freakin road side bombs and*
25 *suicide bombers.*
26
27 ED: *What about the humvee. Each humvee carries 4 people. How*
28 *many videos you seen?*
29
30 DD: *4 people. [Simultaneous with the line above]*
31
32 AA: *You are right.*
33
34 DD: *Road side bombs forget about it. They go over 10,000. We have*
35 *seen the operations.*
36
37 ED: *What's this? [sound of car horn]*
38
39 CW-2: *[UI]*
40
41 AA: *Maybe after certain time you can't go in bro.*
42
43 DD: *Maybe we should wake him up.*
44
45 AA: *Attention closed.*

1 DD: *Is he here? Should we wake him up?*
2
3 CW-2: *If we wake him up, he may alarm the place.*
4
5 DD: *Tell him that we traveled one hour.*
6
7 AA: *Go on the other line.*
8
9 ED: *Read right here from this question.*
10
11 CW-2: *Read what that says?*
12
13 DD: *What is the position of the Taliban and the Americans?*
14 *Elhamdulillah Talibans are doing great and I give you glad tidings*
15 *and we are winning the war. This is what mujahideen is saying.*
16 *[Laughs] Who are you calling, the house?*
17
18 DD: *What I gotta hit?*
19
20 UM2: *Security main gate.*
21
22 ED: *Yeah, I am a guest at 2717 Eagle View.*
23
24 UM-2: *I am sorry, I can't hear you. Are you on cell phone?*
25
26 ED: *No, no I am on the gate.*
27
28 UM-2: *Okay, I need.*
29
30 ED: *I'm in 2717 Eaglevue.*
31
32 UM-2: *2717, what's your name, sir?*
33
34 ED: *Eljvir Duka.*
35
36 UM-2: *Okay I'm gonna open the gate for you.*
37
38 ED: *Alright.*
39
40 DD: *What is the position of the Taliban and the Americans?*
41
42 ED: *What happened?*
43
44 DD: *Alhamdulillah the Taliban are doing great and I give you glad*
45 *tidings that we are winning the war. Most of the major areas are*

1 *controlled by us for example, Kos [Ph], Fatira [Ph], Punar [Ph]*
2 *are in very good situation. The night is all controlled by Taliban.*
3 *The local people help a lot, it is due to them that our position is so*
4 *strong, in the day we retreat because we don't have endless*
5 *ammunition. The Americans are so scared that they cry.*

6
7 ED: *Did you hear that? In the day time they retreat. They don't have*
8 *endless ammunition. Because at night we are in control.*

9
10 DD: *Look, one of my friends got caught and was in Bagram, but he got*
11 *released Alhamdulillah. He asked the Americans during*
12 *interrogation, you people are killed and are in such misery, don't*
13 *you know you are losing. America shows videos that we will be*
14 *welcomed with roses and the people love us, and they need us, but*
15 *if we knew that this hell is waiting for us, we would never have*
16 *arrived in the first place.*

17
18 ED: *They show them videos from here before they go there? That*
19 *people love you that they are waiting for you with roses.*

20
21 AA: *Right.*

22
23 DD: *The people have no aim in life to them everything in this life alone.*
24 *They think that when this life is over nothing left and everything is*
25 *put to end. The Americans are to begin are heavily armed from*
26 *head to toe in kilograms, where mujahideen are light weight and*
27 *have only a gun with them. The Americans can't even run the*
28 *rockets will burn them. The mujahideen have so much spirit in*
29 *them that Americans are scared even from their own planes, that*
30 *they think that they're not their own. Allah has put a lot of terror*
31 *in their hearts. There is not a single day when an American is not*
32 *killed, not a single day.*

33
34 CW-2: *Hum.*

35
36 ED: *Read it good, read it good, because he says the Americans lie, we*
37 *don't lie cause it's a sin.*

38
39 DD: *The media are all a bunch of liars. Taliban never lies about their*
40 *casualties because lying it's a sin.*

41
42 ED: *[Laughs]*

43
44 DD: *Whenever anyone of us dies we say it so, the Americans are such*
45 *liars. Tari Isufi [PH] writes in papers about the truth regarding*

1 *Taliban. Just now we used only four rockets and destroy a*
2 *helicopter and 40 on the ground. The Americans are always*
3 *hiding their casualties. Alhamdulillah. We give glad tidings to*
4 *all that Allah give to mujahideen the victory is near.*

5
6 ED: *Did you hear that, the Americans always lie about that, but we*
7 *don't lie Taliban say it's a sin, we don't lie because it is haram to*
8 *lie he said.*

9
10 DD: *Whom are you going to believe the true believer bro.*

11
12 ED: *He said, we just now, we just launch only 4 rockets now, we*
13 *dropped a helicopter and killed 40 on the ground.*

14
15 DD: *40 Americans on the ground.*

16
17 CW-2: *Inshallah they have prepared something to eat. Inshallah they*
18 *made something to eat.*

19
20 ED: *Ahh?*

21
22 CW-2: *I am saying, Inshallah they made something to eat.*

23
24 ED: *Just got wounded and went to a local Hospital to visit the nephew.*
25 *When the guy came to arrest him, he told him stay away from me I*
26 *am Muslim. The guy still came and he killed him. Then somebody*
27 *else came in the room and killed his nephew. He said when they*
28 *said when they buried him he smelled like musk, like cologne.*

29
30 AA: *What's musk?*

31
32 ED: *Like cologne.*

33
34 AA: *Ohh.*

35
36 DD: *We were gonna buy a sniper rifle.*

37
38 [Unintelligible conversation in background]

39
40 DD: *30 dollars for 15 for 20 rounds [UI].*
