9 ED: Did somebody from Prishtina bear arms?
10
11 CW-2: No, nobody.
12
13 ED: They still have people in Prishtina that will take up a gun and fight.
14
15 AA: *I'll tell you what brother no organization, no organization in*
16 *Drenica was the only reason stayed is because they planned it for*
17 *ten [10] years before the war happened. They brought in guns,*

19 *not have a choice.*
20
21 ED: *They sacrificed the whole family.*

33 *not do that. If we planned four [4]-five [5] years before, stock*
34 *with the weapons and all that shit, it would have been so much*
35 *easier, we could have actually fought.*
36
37 ED: *The Albanians in Kosovo, it wasn't only Kosovo's problem.*

4 *the arms ourselves...*
5

5 CW-2: *Yeah.*
6
7 AA: *There were like 40-50 thousand people there. They were perfect*
8 *age to go and fight. You know what they wanted to do? You know*

8
9 ED: *No, why, to see better?*
10
11 AA: *Everybody thinks because they did not have eye but, the reason*

14 *good.*
15
16 DD: *With that little bit of light which might be there.*
