

ED: They love, that's why these Christians and these Jews don't understand. We'd love to see them accept Islam. We'd love to see, have them as brothers.

MS: Because the Yahuds [Jews] for instance, they don't their religion. They think they are the chosen people, the Jews, and that everyone else their only right in this dunya [world] is to be a slave to the Yahuds [Jews].

ED: *True.*

MS: Whoever doesn't want to be slave to the Yahud [Jews] he deserves death.

ED: To be killed. This is what they believe.

MS: This is in their Torah [Jewish Holy Book]. This is in their book. So what kind of person do you think they are?

ED: They don't care for nobody else. No mercy for anybody else.

MS: Yeah.

ED: Besnik.

MS: I got mad at the Yahud [Jew] yesterday [noise]. [SC] cause he told me, he told me, we got we got a bridge [PH] like between us Palestinians and us Jews in order to live in peace. I told him in peace? I told him ok, no problem. I am going to come to your house though. I am going to take over your house with weapons or whatever. And then I am going to tell you can have the closets for yourself, and then I am going to tell you we should bridge connections [PH], we can live in peace.

ED: Yeah.

MS: After I kill all your, by the way I am going to kill your family too.

ED: And take everything which is yours.

MS: We can live in peace though right? No, but it's not like that. What do you mean?

ED: What do you mean it's not like that?

MS: He said there was never a Palestine. I said have you ever looked at a map before 1948? I told him the Israelis, you Jews,

when you came [SC] into Palestine,

ED: Subhan Allah [Praise be to God]

MS: You came and slaughtered to their people. I told him the Palestinians were already under occupation of the English, so they didn't have an army. They didn't have, all they had was civilians to begin with. And I told him, we, you as Jews have the documentaries with the Jews, first Jews cutting open pregnant women's stomach.

BB: That's true.

MS: . . . and killing them [UI]. And I told him you know what, you're absolutely right we can [PH] live in peace though, I told him. And then he said no but I told him look. . .

ED: Subhan Allah [Praise be to God]

MS: . . . I told him look you can't cover the sun with one hand. And I told him, this land Palestine, it doesn't belong to me, it doesn't belong to you, it belongs to God. And at the end, God will decide, he will make his decision. But you got to look at who's following the religion of God and who is not. And who is going to get the decision of God, who is going to get the punishment of God. And I told him whatever any country, even this one, when it was taken by oppression and corruption from the English, it was destroyed by arms and blood, by the people. And I told him and now it is clear to everyone that there is oppression and corruption. Two, the Muslims of Palestine and the surrounding areas from this small country of Israel, and we believe that God the same way that he destroyed the old kingdom of Israel, that he will be destroyed. And if you look into your books, you will probably find it there too. And I got mad because he said we can live in peace [PH] we got to forget about it. What do you mean?

ED: Makes you want to kill him right in your car.

MS: Yeah, I told, I told the Jew, I was like you know usually I don't, I don't raise my voice. Usually I don't get this angry in my conversation but because you make it seem as if it's nothing, as if people's blood is nothing. We can shake hands with you guys when your hands are full of our brothers' and sisters' . . .

ED: Yeah.

MS: . . . blood.

BB: Same if I come to your house and I kill everybody, trying to go over their house and then we shake hands.

ED: And then with you I got no problem, [SC] no problem we can have peace [OV]

BB: [Chuckle] problem [UI]

MS: I told him what do you mean? I told him us as Muslims, we know that you don't want peace. We already know that you don't want peace, because we see what you guys are doing. And you, you, you've seen that Israel hasn't been getting attacked for how long now? From any of us Palestinians for a long time. But we know that the Jews will be slaughtered [PH] in this land.
