ROBERT B. KUGLER
U.S. DISTRICT JUDGE

Re: Rule 33 New Trial 13 (2) (US v TATAR 07-459)

to: Hon. Robert B. Kugler

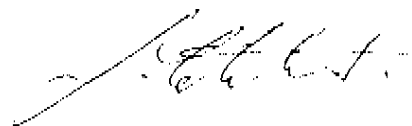

Your Honor,

I am writing this letter to inform you that I will be filing motion for a new trial under F.R.C.P Rule 33. B(2). (1). I also send in my previous letter about the Rule 29 Motion.

For both of these motions the deadline is 7 days after the verdict is returned, and it is nearly impossible for me to meet the dead lines given to the holidays this week, the unavailability of my Attorney Richard Spacca, and the conditions of my confinement which do not permit me to make phone calls.

Again in the event my attorney does not file these motions and or my other motion that needs to be filed within a certain time limit, or does not consult me before filing any motions of the Post-Conviction state, then please except this to be my initial Post-Conviction motions with the leave of Court requested to Amend it with a properly prepared a full motion within 30 days hereof, which is the time frame I feel realistically necessary to exercise my both Amendment right in these circumstances where my communication with my attorney has been impossible since the verdict.

I thank your Honor and the Court for the kind consideration of this motion.
