[Two prayers]

"Brothers,

While publishing this edition of the magazine 'the pioneers of Khorasan', we had received information from Libya, about the death of the hero Mujahid, the honorable and noble Ibn al-Sheikh Al-Libi, in the prison of the apostates, evil and treacherous Libyan devils, the enemies of Allah, the enemies of his religion and its protectors, and the enemies of mankind, who fight Allah."

"The cruel and arrogant criminals claimed that Ibn al-Sheikh had committed suicide, but no, Ibn al-Sheikh is not one of the people who commit suicide. They killed him, or tortured him, made him sick and neglected him."

"It is not unacceptable that they had killed him by using some sort of drug. They are hostile toward the people of Tawhid, Jihad and honesty, and they strive to undermine them, in every way."

"They sacrificed a place to worship in...the night will stop the prayer and the Quran."

"May Allah bless Ibn al-Sheikh al-Libi... an elevated mountain of bravery, knowledge, righteousness, respect, truth, honesty, patience, stability, and Jihad in the path of Allah. Generous, the kind and the devoted - this is how we remember him, and Allah remembers him."

"A knight who had (more) perfect characteristics, besides those...Honorable, who had left no possessions."

"He was not cold-hearted...the Shabaab had lost the fuel...but he has the force of a true resistance."

"Just like Ibn al-Sheikh, cry for the one who was crying!"

"Oh Allah, we declare that he taught us about unity, honesty, submission to you, loyalty to your book, fighting in your path, pleasing you, improving the prestige of your words and lifting up the flag of your religion."

"Oh Allah, bless him, respect and accept him. Broaden his entrance, and spread his reputation among the guided ones."

"Pass the torches to the people of his home with good, bless the heir and affect him, oh, the most merciful!"

"Make us benefit from him, oh, the most respectable!"

"The time will come for the tyrants who are ready (to fight)! The death of Ibn al-Sheikh, who thank to Allah, stuck with this way and was decisive about Ribat, will only encourage the Mujahidin and their friends to resist and fight."

"And soon will the unjust assailants know what vicissitudes their affairs will take!" [Surah Al-Shuaraa, 227]

"Allah, you are our availer, protector and best of aid."

"Thank Allah, the lord of the world."
