"Thank Allah, who said in His [holy] book: 'Therefore, when ye meet the Unbelievers (in fight), smite at their necks; At length, when ye have thoroughly subdued them, bind a bond firmly (on them): thereafter (is the time for) either generosity or ransom: Until the war lays down its burdens.'¹ [Qur'an, Muhammad Sura, from verse 4] And, prayer and peace upon Allah's messenger who said: 'release the sufferer,' and upon his family, good companions, and those followers until judgment day, and thereafter."

"After the end of the second period the mujahideen gave to Britain, and for not answering our legitimate demands, and in executing what the mujahideen had promised and threatened with, we announce for our Muslim brothers and the public opinions the following."

"Thanks to Allah, on Sunday 6th of Second Jumadah, 1430H, 5/31/2009, at Seven-Thirty in the evening local time, the British hostage was killed so he can taste, and along with him the British Country tastes a very small portion of what the innocent Muslims taste daily on the hands of the Crusader-Jewish alliance in East and West of the world."

"And, the mujahideen were excused, and they exhausted all they can do to find a satisfactory resolution, and they gave enough time to the British negotiator, and they answered the extension demand by giving a second period, but it seems that Britain does not value its citizens, and it insists on its arrogance and its continued violation and injustice towards the Muslims, then let Golden Brown and his invasive government harvest the fruits of their wicked policies towards the Muslims."

"And, here we document the collusion of the British media outlets which answered their government's commands by being silent and not bringing the case to the internal public opinion so they [the public] can know the truth and uncover for them the manipulation by their government in the lives of its citizens despite the flexibility of the mujahideen, and despite spending all they can in exit with a solution that satisfies all."

"And, we assure our Muslim nation that we are, Allah-willing, will not forgot our prisoners even if people forgot them, and we are with Allah's help, going forward in our Jihad and sacrifices to fight

Allah's enemy of Jews, Christians, and apostates, answering in that to our Lord's saying and guided by the guidance of our prophet, prayer and peace upon him, and without giving attention to the failure of the disappointers and violations of the violators of those whose voices raised up in fear and caution towards the life of a Christian Kafir distrusted in the Muslim countries, while they're quiet and silent the silence of graves when having to say the words of truth and to rescue thousands of killed and injured from among the weakened Muslims, and their weak souls become cowardly to fight the unjust people standing atop our chests, occupying our land and violators of our honors."

[2 lines of poetry at the end]

"Allahu Akbar: God is the greatest"

"Endearment to Allah, His messenger, and to the Mujahideen"
