"In the name of Allah the most gracious the most merciful."

"The Al Qaeda organization in the Arabian Peninsula."

"Soldiers of Yemen Brigades."

"Praise is to Allah, the glory granter to Islam with His victory and the disgracer of the unbelief with his Might, who has made days an alternation with His fairness and has made the outcome for the believers with His grace. And peace and blessings on the one through whose sword Allah raised the light of Islam. And I bear witness that Muhammad is His slave and messenger who said:"

"I have been inspired between the hands of the Hour until Allah alone is worshipped and my sustenance has been made under the shade of my spear, and disgrace and humiliation has been prescribed for the one who disobeys my command."

"To proceed."

"Allah enabled your Mujahideen brothers from Al Qaeda organization in the Arabian Peninsula 'the Soldiers of Yemen Brigades' to perform a blessed operation on Sunday 1 July 2008 by the unit of Qaqa bin Umar At Tamimi May Allah be pleased with him. Allah, the Almighty, guided your brothers to bomb the camp of the central security forces in the Zanjabaar district in Abeen. The mentioned camp has been widely known for its continuous tracking of our Mujahideen brothers and their frightening the peaceful and oppressed people, and to Allah is all praise for his aid."

"And Allah is the greatest."

"And for Allah is all glory and for the Prophet and the believers but the hypocrites know not."
