“Al Qaeda Al Jihad in Yemen takes responsibility of the martyrdom operation on the Security forces in Hadramout.”

“In the name of Allah, the Most Gracious the Most Merciful.”

“Al Qaeda Al Jihad in Yemen takes responsibility of the martyrdom operation on the Security forces in Hadramout.”

“Praise is to Allah, the glory granter to Islam with His victory and the disgracer of the unbelief with his Might, who has made days an alternation with His fairness and has made the outcome for the believers with His grace. And peace and blessings on the one through whose sword Allah raised the light of Islam. And I bear witness that Muhammad is His slave and messenger who said:”

“I have been inspired between the hands of the Hour until Allah alone is worshipped and my sustenance has been made under the shade of my spear, and disgrace and humiliation has been prescribed for the one who disobeys my command.”

“To proceed.”

“Allah the Almighty has blessed your brothers in the Al Qaeda organization in the Arabian Peninsula- The Army of Yemen Brigades- in performing a martyrdom operation on Friday 25/7/2008 against the slaves of the slaves and the guards of apostasy and censure on a gathering of the public security forces in the Hadramout district – Sinoon.”

“The operation was carried out by the heroic martyrdom operator Abu Dujanah Al Hadrami (Ahmad bin Saeed bin Omar AlMishjari) May Allah accept him in the ranks of the martyrs.”

“And let the tyrant and his soldiers know, that the blood of Abu Omar Al Masri and Abu Osama Al Masri and Ali Al Haaj and Yahya Majli and Abdullah An Nashiri, and the hands of whose soldiers are stained with them (their blood), will not go waste and that we will avenge no matter what, even if its over time and we will not forget them throughout our lives.”

“And Allah will fulfill His cause, but most people know not.”
