We challenge with our Koran.
Our men are in revolt, our men are in

Our men are in revolt, our men are in

On and on and on it goes.

We defend our religion with blood, with
blood.
We defend our religion with blood, with
blood.

Our Koran is in our hands.
We have ignited the conflict and we
challenge our enemy.

Bin Laden: The fruit of this training is Jihad for the
sake of "there is no God but God." Your
brothers in Palestine are impatiently
waiting for you. They are waiting for you
to disturb the United States and Israel,
for the land of God is vast and their
interests are spread out. Hence, make your
best effort to strike them so that the word
of God remains high.

rushed for *Jihad*, and in
Aden¹⁰ they rushed, attacked and destroyed a
battle ship that is feared by fear itself.
