"In the name of Allah, and thanks due to Allah, and prayer and peace upon Allah's messenger, his family, companions and all supporters."

"Dear Muslim brothers everywhere, peace be upon you and Allah's mercy and blessings."

"Barack Obama decided to visit Egypt on the upcoming 4th of June; he ought not to be greeted in Egypt, and he is not welcome. He is not welcome in the Egypt of Amro bin al-Aas; in the Egypt of [Islamic] liberations; the Egypt of Salah ad-Deen; in Egypt the defeater of crusaders; in the Egypt of Ezz bin Abdulsalam, Outoz, and Baybars. He's not to be greeted in Egypt's Azhar; in the Egypt of knowledge and Jihad, no greetings for him in the Egypt of Hasan al-Banna, Muhammad Farghalee, Abdulqader Oudeh, Sayyed Outub, Abdulhameed Keshek, Omar Abdulrahman, Muhammad Abdulsalam, Khalid al-Islamboli, Atta Tayel, Hussein Abbas, Abdulhameed Abdulsalam, Isam al-Qamri, Abu Obeidah al-Bansheery, Abu Haffs al-Qa'ed, and Muhammad Atta."

"Via his expected arrival, I use the poetry of Ahmad Muharram, may Allah have mercy on him, [written] for the reception of the British Representative, with a slight change:"

[12 lines of poetry]

"The White House has announced that Obama will send, from Egypt, a message to the Islamic World, but they forgot that his message actually arrived when he visited the Wailing Wall, and he put on his head the Jews' Kippah, and prayed their prayer, and he is who claims he is a Christian. And, his message reached the Islamic World when he gave a speech at the Zionist lobby (AIPAC), in which he promised to keep Jerusalem a unified infinite capital for Israel, and he also promised in it full support to Israel...And, his message reached the Muslims when he agreed and confirmed the Zionist hostility over Gaza, and his message reached the Muslims when he promised and threatened sending more troops to Afghanistan, and more raids in the tribal areas in Pakistan, and his message arrived when he managed the bloody campaign against the Muslims in Swat [Valley], and his message reached Muslims in the hidden and public prisons, which his administration supervises, but also expanding the current prisons like Bagram Prison in Afghanistan, to host more Muslim victims. And, his message reached the Muslims when he continued rejecting the appliance of Geneva agreements of prisoners upon the Muslims during the crusader war on Islam, which they call war on terrorism."

“And, his message reached the Muslims when he declined for a delegation from his country to attend Geneva’s conference on racism, to unhurt the feelings of Israel. And, his message reached the Muslims when he threatened to interfere in Pakistan to secure its nuclear weapons, meaning he considers these weapons owned by America and under its control. And, his message reached the Muslims through the opening of the rolling American Army’s tanks, which occupy the Arabian Peninsula, Afghanistan and Iraq. His bloody messages arrived and still reaching the Muslims and they will not be blocked by the public relations campaigns, or the theatrical visits, or the coated words.”

“These were his messages before arriving in Egypt, but regarding his choosing of Egypt and Turkey to direct from them a message to the Islamic World, as he claims, it carries another clear message which is that the Muslims aren’t graced by the crusader Americans, they’re the ones who leave Islam, adopt secularism, they are who recognize Israel and hold with it security pacts and participate with it in military rounds, and they are the ones who join the NATO to fight under the flag of the crusaders in Afghanistan.”

“It is a letter to the Muslim Nation that America stands unequivocally with the executioners, criminal, and cooperatives who surround the Palestinians, torture and chase after them, and who turned their country into a huge prison, and who inherit governance with oppression and forgery towards their people until active corruption, dependency and cooperation continue with America, the crusaders and the Jews.”

“It is a clear message that America doesn’t stand with reparation and change and the rest of terms [used] in the American false publicity, but it [actually] stands with the continuation of moldy authoritative regimes, and it supports and agrees with them, and it exports to them the machines of torture, discovering tunnels, and bombing them atop the heads of weakened from our families in Palestine.”

“These are the practical truthful messages of Obama that reached the Muslims despite what can be said in false and empty publicity.”

“And, if Obama came to Egypt, he will be greeted by his servants who benefits from his help and bribes, but the free [people] of Egypt will reject him, his policies and his crimes.”

[2 poetry lines]

“If Obama came to Egypt, he will be greeted by its executioners, robbers, and corruptors who made Egypt an international torture station in America’s war on Islam. He will be greeted by those were and still sanctioning Gaza. He will be greeted by the mercenaries of torture; by elections’ forgers; corruption spreaders, and Egypt’s cowards will [also] greet him; those who handed Wafa’ Oustanteen and her sisters to the prisons of Churches to be tortured and killed, from fear of America and to impress and befriend it. America’s Department of State publishes an annual report about freedom of religions in the world, but it pressured the Egyptian Government to hand in Wafa’ Oustanteen and her sisters, and it avoided that with clear hypocrisy and undoubted collusion.”

“Those corrupt will welcome Obama, but the honored of Egypt and its honest and reconciliatory ones hate him in Allah, and they consider him an international criminal, a bridging politician who serves the Zionist project, so he can elevate in governance positions.”

“Obama will be celebrated by Egypt’s butchers and criminals, and they will race to present him with gifts, stolen by the money, sweat and blood of the weakened, and I suggest to them [something] better than that; to present him with what Ahmad Shawqi<sup>1</sup> suggested—may Allah

have mercy on him—on those who wanted to congratulate Fathee Zaghlool, the criminal [and] judge of Danshwai court, so I use his saying, with a slight change:”

[4 lines of poetry]

“So, our people in Egypt, be supporters of Allah and His messenger, prayer and peace upon him, do not become from [amongst] the befriends of Allah's enemies, and [enemies] of His religion and supporters. Allah said: [verse]”

“O free people of Egypt and its honored, reconciliatory, and mujahideen people stand in one line in the face of that criminal, who came with trickery to gain what they lost in the battlefield, after the mujahideen caused failure to America crusader projects in Iraq, Afghanistan, and Somalia.”

[4 lines of poetry]

“The last of our prayer is Thanks due to Allah Lord of the Worlds, and Allah's prayer and peace upon our master Muhammad and his family and companions. And, peace be upon you and Allah's mercy and blessings.”
