Lyrics:

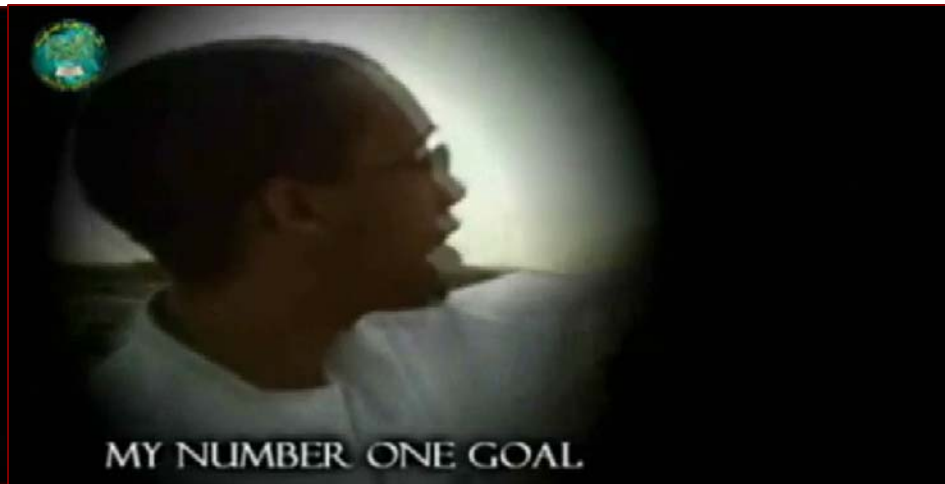

[Deep Voiced Brother]
Guerilla warfare from Mogadishu
presents... First Stop Addis
[Abu Mansoor al-Amriki - Section Repeats
Through Whole Song Quietly]

From Somalia and Shiishaan
From Iraq and Afghanistan
Gonna meet up in the Holy Lands
Establishing Allah's Law on the land
From Somalia and Shiishaan
From Iraq and Afghanistan
Gonna meet up in the Holy Lands
Establishing Allah's Law on the land

[Abu Mansoor - Chorus]
Jihad against the armies of the Salib (Crusaders)
No rest for the oppressors... a life of fear
Establishing Allah's law on land and sea
My number one goal... die a shahiid

[Non-American Brother]
Jihad against the armies of the Salib (Crusaders)
No rest for the oppressors... a life of fear
Establishing Allah's law on land and sea
My number one goal... die a shahiid

[North American Brother (I)]
From Mogadishu first stop Addis
Gonna knock America down to her knees
Better call Zanawi, Bush, and Condaleez[a]
Marines, army, navy, and the police
You want to promote your religion: Democracy
Along with your cross, temples, and your priests
Our response is martyrdom or victory
Not going to sit back while you roam free

●  
GONNA KNOCK AMERICA
DOWN TO HER KNEES

●  
ALONG WITH YOUR CROSS, TEMPLES,
AND YOUR PRIESTS

●  
YOU WANT TO PROMOTE YOUR
RELIGION: DEMOCRACY

●  
OUR RESPONSE IS MARTYRDOM
OR VICTORY

NO REST FOR THE OPPRESSORS

[Abu Mansoor - Chorus]
Jihad against the armies of the Salib (Crusaders)
No rest for the oppressors... a life of fear
Establishing Allah's law on land and sea
My number one goal... die a shahiid

BECOME A SHAHIID

[Abu Mansoor - Chorus]
Jihad against the armies of the Salib (Crusaders)
No rest for the oppressors... a life of fear
Establishing Allah's law on land and sea
My number one goal... die a shahiid

CATCH THEM IN AN AMBUSH AND
WATCH THEM FREEZE

[North American Brother (II)]
 We're sending missiles in the sky and through
 the streets
 Destroying tanks, copters, and navy fleets
 Iraq and Afghanistan caused you to bleed
 Touching Somalia [is] a regrettable deed
 Now you've realized Islam can't be beat
 While in our land don't even think about peace
 We love to slaughter Crusader enemies
 Catch them in an Ambush and watch them
 freeze
 [Abu Mansoor - Chorus]
 Jihad against the armies of the Salib (Crusaders)
 No rest for the oppressors... a life of fear
 Establishing Allah's law on land and sea
 My number one goal... die a shahiid

[North American Brother (III)]

Raid a base and shoot them as they hectically flee
 Run. Run. No time, don't even stop to plead
 No where to go running six feet deep
 We've awakened now and need some war booty
 From Mogadishu first stop Addis
 Taking Andalus (Spain) all the way to Siin (China)
 In sha'a Allah soon collecting Jizyah fees
 Holding Berlin, Quds, and the White House keys

[Abu Mansoor - Chorus]

Jihad against the armies of the Salib (Crusaders)
 No rest for the oppressors... a life of fear
 Establishing Allah's law on land and sea
 My number one goal... die a shahiid

[Abu Mansoor al-Amriki + Deep Voiced Brother (Bold)]

From Somalia and Shiishaan Listen up now
 From Iraq and Afghanistan
 Watch yourself
 Gonna meet up in the Holy Lands
 We're coming and we're going to take it all back
 Establishing Allah's Law on the land
 From Somalia and Shiishaan
 By the permission of Allah
 From Iraq and Afghanistan
 Can I get a takbiir? Allahu akbar!
 Gonna meet up in the Holy Lands
 Establishing Allah's Law on the land
