

**The Islamic Jihad Union (IJU):
"The Next Generation of Mujahideen, Part 2"
Released: January 18, 2010**

[These images were obtained by NEFA investigators on behalf of the NEFA TerrorWatch subscription service. They show screenshots from a new German language propaganda video showing makeshift IJU terror training camps for small children, along with footage of goods and materiel donated by supporters around the world over the past few months in order to help underwrite the IJU mission. These images are provided for educational and informational purposes only.]
