[This document is an excerpt from a video obtained by NEFA investigators on behalf of the NEFA TerrorWatch subscription service. This transcript is provided for educational and informational purposes only. The video was released by the German Mujahideen Taliban, a group of German nationals fighting alongside Al-Qaida on the Afghan-Pakistani border. In the video, the first released by the group, an American, identified as "Sayfullah al-Amriki", is shown. The video also depicts German convert Eric Breininger providing small arms training to a small group of German speaking recruits. Further, the video makes it clear that the German Mujahideen Taliban is subordinated to the Taliban and connected to the Islamic Jihad Union.]

“Assalamu alaikum wa rahmatullahi wa barakatuhu my dear brothers and sisters. I would like to talk about today, inshaallah, the situation of the Umma. We must rush to the lands of Jihad, we must strive on the path of Allah. It is an obligation on us, it is not an option. We must fight. We must fight against the kufar and the munafiqeen. Those who are oppressing, those who are occupying the Muslim lands, killing the Muslim brothers, raping the Muslim sisters, killing the children of the Muslims. We must strive. We must strive on the path of Allah to make his word superior, to make his word superior above the jahil, above the taghout of the munafiqeen and the kufar.”

“To for Allah's pleasure, for Allah's mercy. If we don't, we are fasiqeen. If we don't rush to the commands of Allah, we are fasiqun. How can we call ourselves Muslims? How can we call ourselves Muslims when we are letting our Muslim brothers and sisters down? When we are leaving them to be killed? To be bombed upon? To be shot at? We cannot! We must! Allah ordered us to fight in the cause of Allah. Fight those who fight you. Fight those who don't believe in Allah and don't believe in the last day. Fight those who take that shaitan as their friends and their ally. We must fight against these people.”

“We have Allah on our side. Alhamdulillah, I have met many people from all around the world- from America, from, from, from England, from, from Germany, from Uzbekistan, from Tajikistan. People from all around the world, brothers AND sisters, coming for the sake of Allah. They only wish for one thing. They wish for a Shahada. They wish for a Shahada and we are fighting against the enemy that are hoping for a paycheck at the end of the month. How can we lose? We have Allah on our side! How can we lose when we are wishing for death while our enemy they wish for life, a long life?”

“They wish for money. They follow their desires. We are fighting against the enemy that live by their desires that live by jahil. This is easy. We have Allah on our side. I ask you my brothers and sisters to come. Make hijra. Make hijra like the many of the brothers have. I have. My brother here. Many brothers I have met. We have made hijra for the sake of Allah. This is a call. I call you. JazakAllahu hayrun, assalamu alaikum.”
