Amir Abu Ishaq al Muhajir
"The Only Alternative is the Resistance and
the Attachment to the Jihad"
Released on: October 8, 2009**

[This document is the transcript of a German-language communication obtained by NEFA investigators and translated on behalf of the NEFA TerrorWatch subscription service. This transcript is provided for educational and informational purposes only.]

"Our thanks and praise is to Allah. From him we expect guidance and forgiveness and seek refuge with him against our bad deeds and all evil. If he leads the right path, no one can be misled, if he misleads no one can be on the right path. I testify that there is no god but Allah, he has no partner and Muhammad is His servant and messenger. Brothers who decided in Afghanistan to patiently retain their loyalty, Lions who protect their faith and religion, our heroes, heroes of the martyrdom operation and heroes from Palestine, Iraq, Somalia, Algeria and the Caucasus, and all who support the jihad and the Mujahideen, the peace of Allah and his mercy and blessings be upon you."

"Our Lord orders us in the Koran verse: 'Fight against them so that Allah will punish them by your hands and disgrace them and give you victory over them and heal the breasts of a believing people.'" (Surah at-Tauba Surah 9:14)"

"Occupying crusader, their German allies, the hypocrites, and apostates who obey them have together sparked the flames of an unjust war in Afghanistan, which brought terror, to interfere in the security of the Muslim nation, overthrew its government and killed its most valuable assets. "

"I hope by my mighty Lord that he accepts their martyrdom, heals their sick and wounded quickly."

"The people from there try to emigrate and the kuffar have become bolder, the hypocrites are in a high minded state. The Muslims have increased their suspicions some levels."

"So the Mujahideen brothers have drawn the sword in this fierce war and they plunged into the fray, the damage of weapons is not feared in the war, they demonstrated patience, shown resistance, and preferred death to humiliation and degradation."

"O ye German crusaders, you have proven your loyalty to Merkel and the rest of the vermin, and you got a good position because of your loyalty, how many heroes do you have among you? Just as the terrorist crusaders were surprised and shocked, so will also be the unjust German crusaders surprised and shocked."

"We observe that your soldiers are being carved up by our Martyrs Brigades, and that your troops in Afghanistan are being wiped out. We promise you that the German troops, who are the protectors of the Zionist Christian Union, will return individually in coffins from the occupied territories."

"Their wish will be to get out of the Fire, but never will they get out there from: their penalty will be one that endures.' (Surah 5 (al-Maida), verse 37)"

"O Mujahideen! You lead the holy jihad which is the most important in this life and the expectations are high."

"The whole world is watching your magnificent victories and knows that the world's history has opened a new chapter for change. The borders on the map are being redrawn with the permission of Allah, at the hands of the Mujahideen, and the borders of the crusaders are blurred for truth and justice."

"My brothers and sisters in the world and especially my brothers and sisters with the spirit of resistance from Germany, Austria and Switzerland, let's unite us as one against the Kuffar as Allah loves: 'Verily, Allah loves those who fight in His Cause in rows (ranks) as if they were a solid structure.' (Surah as-Saf, Surah 61:4)"

"And hold fast, all of you together, to the Rope of Allah (i.e. this Quran), and be not divided among yourselves, and remember Allah's Favour on you, for you were enemies one to another, but He joined your hearts together, so that, by His Grace, you became brethren.' (Surah Ali Imran, Surah 3:103)"

"Oh, my free and powerfully advancing Mujahideen brothers and sisters do not let the modern Romans set her feet on Islamic soil. Set on the soldiers of the unbelievers so they can taste death

until there remains no one on the Islamic soil which they occupy. Oh, you lead the horses that have broken their chains, and wear white swords. O you protectors of Islam, the unbelievers are shocked and bewildered with fear. He has no time to flee and use his being surprised and increase his confusion by striking and cutting off his neck and slamming them with bone-breaking swords. The bearers of the Crusader flags have increased the number of its soldiers and said the soldiers of Tawhid will be defeated, since then decided - may Allah be merciful on you - remember Him often that He may protect you."

"O Allah, grant us patience and make firm our feet and give us victory over the disbelievers. Who revealed the Book, who makes the clouds move and makes the culprits to flee. Allah make them flee, and give us victory against them. Allah, when we get up protect us with the Islam, when we sit down protect us with the Islam, when we sleep protect us with the Islam and give not our enemies and the envious the possibility that they can watch us with joy when we fall into disaster. Allah help us until we take our rights from them who cause us injustice."

"O Allah, this is a day like your other days, so guide the hearts of young people in Islam to the path of jihad."

"O Allah, grant us peace and blessings on the Prophet Muhammad and his family."

"One Day We will ask Hell, 'Art thou filled to the full?' It will say, 'Are there any more (to come)?' (Surah 50 (Qaf), verse 18)"
