[This document is the transcript of an Arabic-language audio tape obtained and translated by NEFA investigators. This transcript is provided for educational and informational purposes only. Abu Yahya Al-Liby, who was once held prisoner by the U.S. government, escaped from Bagram Air Base in Afghanistan in July 2005. Dell Dailey, the State Department's Coordinator for Counterterrorism, has stated that "Abu Yahya is a senior Al-Qaida member, a top strategist for the group, and trusted and presented as one of the group's most effective promoters of jihad."]

"Thanks due to Allah; the one, and the most compelling, and prayer and peace upon the chosen prophet and upon his family and free kind companions. Thanks to Allah who revealed upon His servant and messenger and revealer and paramour, in His Holy Book: O you who believe! Answer Allah (by obeying Him) and (His) Messenger when he [sal-Allâhu 'alayhi wa sallam] calls you to that which will give you life, and know that Allâh comes in between a person and his heart (i.e. He prevents an evil person to decide anything). And verily, to Him you shall (all) be gathered."

"And He also revealed: O you who believe! What is the matter with you, that when you are asked to march forth in the Cause of Allah (i.e. Jihad) you cling heavily to the earth? Are you pleased with the life of this world rather than the Hereafter? But little is the enjoyment of the life of this world as compared with the Hereafter."¹

"And, prayer and peace upon [the] Prophet who said: "If you were forced to march forward, [for Jihad] then march forward." And, who also said: "carry Jihad against the Mushrikin (polytheists) with your wealth, selves and voices."

"And, thereafter:"

"I say it loudly with all of my mouth, and with the highest tone of my voice:"

“Here we answer you, O Abu Yehya, Here we answer you, O Abu Yehya, Here we answer you, O Abu Yehya”

“We have heard your call and your words directed to us, and they reached the depths of our hearts before our ears.”

[1 poetry line]

“And, our determinations have awoken, and our motivation has been recharged, and our steadfastness has become solidified, and we have pondered and got to know that it was an advice from an honest advisor—as we consider him—and we have realized that *the* right(s) should be truthfully asked for, and then apply it and work by and for it, and how could we not while it this a command from our Lord: And hold fast, all of you together, to the Rope of Allah (i.e. this Qur'an), and be not divided among yourselves,”² Allah loveth those who battle for His cause in ranks , as if they were a solid structure.³ How could we not work with its meaning while we were calling for it and Allah, raised and glorified, says: Believers, why do you say what you never do? It is most hateful to Allah that you should say that which you do not do.’⁴ How not when it is the path of our endearment and our power against our enemy!”

[2 lines of poetry]

“How not, when leaving the [united] group results in terrible punishment, guaranteed in Allah's [holy] book:... and do not dispute (with one another) lest you lose courage and your strength depart...”⁵

[4 poetry lines]

“So, expect good news O beloved sheikh; we have been kind to our mujahideen brothers in Algeria, like the kindness of the prophet's companions.”

“O Muslims:”

“Your mujahideen brothers have made an agreement and an oath and a promise to go forward, and they swore by Allah that they will not calm down or settle, and their swords will not be put down until they purify the Islamic Maghreb from the atrocities of the impure apostates and their grudge-filled crusader masters and their mediocre man-made laws. If they [mujahideen] achieve that, their Jihad will not just stop there, but we are initiating the race with our mujahideen brothers in East and West of Earth: in Afghanistan, Pakistan, the Caucuses, Iraq, Indonesia, Palestine, the Arabian Peninsula and Somalia; we initiate the race with them to see who can first make prayer in the White House.... “

“Nation of Islam:”

“Assist your mujahideen people to achieve the target they point towards; supply them with money and men; help this with all you [nation of Islam] have, as Allah says: And help one another in righteousness and piety.”

“Our beloved sheikh:”

“Expect good news, as by Allah, it is as if all the youth of the Islamic Maghreb are flooding towards this blessed trench from everywhere, repeating with the highest tones of their voices: Here we answer Abu Yehya [al-Liby]...Here we answer O Ayman [al-Zawahiri]...Here we answer O Usama [bin Laden]...here we answer Nation of Islam.” [

[Poem for Abu Khaythamah al-Shanqeeti]

“We ask Allah with all His beautiful names and His High traits to make our unification a thorn in the throats of His apostate enemies and have us victorious against them all, and to humiliate them on our hands as He is the Most Capable of that. We call upon Him with His beautiful names and His high traits to support the mujahideen in Earth's East and West, and to protect their leaders and guides, and to cover them with His protection and support them with His victory and to endear us against His and our enemies as He is the Most Capable.”
