“Here we are today encouraging our Muslim nation on Jihad for the cause of Allah with money and self, and to liberate the walkway of its beloved Muhammad, Allah's peace and prayer among him.”

“And from here; from the folds of Bayt al-Maqdis and from the [most] patient Gaza strip we send our hot greetings to our beloved sheikh, the lion of the forefront, the sheikh of [all] mujahideen Abu Abdullah; the mujahid sheikh Usama bin Laden, may Allah protect him.”

“We say to our brothers and our hearts allies the mujahideen in Afghanistan, Iraq, Tashweet, Pakistan, Chechnya, Yemen, Somalia, and the countries of the Islamic Maghreb, and all the honest mujahideen in the rest of Muslim countries, we tell you: may Allah accept your Jihad, and may Allah reward you on behalf of us the best reward as you have finished the promise so you became the nation's solid fortress and pillar, we consider so and we do not exalt anyone but Allah.”

“So O Allah's knighted horses, O Allah's knighted horses the door has widely opened and today is the day of honesty, then we are the honest people?”

“It is the pleasure of Jannah Association for Media Production to present an audio recording to the Amir of Jund Allah Group in the folds of Bayt al-Maqdis, for Sheikh Abdullah al-Muhajir, may Allah protect him, titled ‘The Proclamation’ or al-Balagh.”

“In the name of Allah the Most Merciful the Most Compassionate, thanks due to Allah—Lord of the worlds—and prayer and peace upon the Imam of [all] messengers Muhammad bin Abdullah and [upon] those who followed his guidance until judgment day.”

“Saying little and enough is better than saying much and disporting [Verse]...and thereafter:”

“This is a letter from Abu Abdullah al-Muhajir to our dear Muslim nation in particular, and to the entire world, titled ‘The Proclamation.’ At the time the enemies of Allah of Jews and Christians crossed every limit with their war against Islam and its people; they killed the elderly and men, and raped the women and slaughtered the children, then they didn't stop at that limit, but they also desecrated the book of the Lord of the Worlds, and they threw it in the toilets and defecated on it, and insulted the prophet Muhammad, Allah's peace and prayer upon him in a Zionist-crusader war upon Islam and it's in people that which history has never [before] witnessed.”

“And, at the time Allah, raised and glorified, secured for this faith men who do not sleep under oppression; they have given themselves and their money to secure Allah's religion, so they attacked the pockets of Kufr in Afghanistan and Iraq, in Pakistan and Chechnya, in Kashmir and

Yemen and Somalia, in the countries of Islamic Maghreb and other battlefields. So, the dreams of the enemies of Allah vanished and they became disappointed. And, at the time the mujahideen, even all Muslims, agreed that the center of the conflict with the enemies of this nation revolves around the holy sanctities. [Verse] then [Hadeeth]”

“According to these circumstances, it was necessary a group that takes upon its shoulders the responsibility to correct the direction and cope with this international blessed Jihad. And, Allah has rewarded us that we are alive to a day to do as servants to our Lord; the dear and benignant, raised and glorified. Allah rewarded us to carry out the Battle of Proclamation which Allah endeared his soldiers through, and He humiliated and embarrassed His enemies, and we boasted about it just how our honest ancestors did. And, we have seen in front of our eyes the support of Allah and His securing and caring of His believer servants, and the humiliation and degradation and cowardice of the successors of monkeys and pigs. And nothing more honest than Allah’s saying regarding them [verse]”

“And, the mujahideen came back, with the grace of Allah, and their situation says: I wish my people know that we were imprisoned in the Gaza Strip for what our hands have gained because we are between a fighter who hasn’t met the conditions of victory, or a sitter [from Jihad] who fears for himself and his money, and they are not aware that Allah, raised and glorified, says: ‘O believers, if thou gain victory to Allah, He will [in return] support thou and [He] will steadfast your stance.’ [Verse] Our dear Islamic nation: you mujahideen people have promised Allah the great to carry Jihad for His cause, until their goals are achieved, and they are:”

“First: applying Allah’s Sharia in His land and kicking out the kuffar from the Muslims homelands. Allah’s messenger, prayer and peace upon him, said: ‘He who fights to make Allah’s words most superior, [then] he is for the cause of Allah.’”

“Second: defending the honor of the prophet Muhammad, peace and prayer upon him, and to punish every person who insults and has prejudice against him. [Hadeeth]”

“Third: rescue the prisoners from the prisons of the Jews, Christians and the tyrants, as the prophet, Allah’s prayer and peace upon him, commanded to rescue the imprisoned, as he said: ‘untie the sufferer.’”

“Fourth: unify the nation’s mujahideen; to gather their efforts and unify their lines in the face of Allah’s enemies. Allah said: ‘Allah loves those who fight for His cause in a line like they are a stacked-together building’ [Verse]”

“By Allah the greatest, in a life where Allah’s Sharia is not applied, and where the beloved Mustafa, prayer and peace upon him, is insulted, and where our honors are violated in the tyrants and kuffar’s prisons, and Muslims have separated, and their flags and parties have multiplied, there is no goodness in it. The believer takes it as a sword stab in [his] endearment and does not take it as a sound stab for [his] humiliation. And, we have called this blessed battle ‘The Battle of Proclamation’ and that is because it is:”

“First: a proclamation to the Jews that we have come to you with men; their weapon is the Quran, who love death more than you love life, and they have the good example of the messenger, Allah’s prayer and peace upon him, and they walk on the path of the honest ancestors, and they know that the situation of the nation’s end will not be corrected unless its beginning is corrected.”

“Second: a proclamation to the honest mujahideen; those who work for the victory of Allah’s religion and whose souls desire meeting Allah. Your brothers are presenting their hands to you as we all are in need to gain the grace of Allah by giving victory to His religion, so be aware to show Allah goodness in yourselves. [Verse] So O knighted horses of Allah carry on, O knighted horses

of Allah carry on...by Allah the door has been widely opened, and today is the day of honesty, so [then] we are the honest people?"

"Third: we tell our brothers the mujahideen in Afghanistan, Iraq, Kashmir, Pakistan, Chechnya, Yemen, Somalia, countries of Islamic Maghreb, and all the honest mujahideen in the rest of Muslims' homelands, we tell you: may Allah accept your Jihad and may He reward you on behalf of us the best of rewards, and you carried out your promise so you became the invulnerable fortress of this nation and its steadfast pillar, we consider you so and we do not exalt anyone but Allah. Your people in Bayt al-Maqdis have tears in their eyes with your blessed Jihad and the damage [caused] to Allah's enemies, your support to them [people of Bay al-Maqdis] in all ways...we are well aware that should you not have been preoccupied with the enemies of Allah, you would have been between us fighting by our side, and we tell you that we are with you and we support those who support you and fight those who fight you, as blood is [for] blood and destruction is [for] destruction, and with Allah's permission you will not be attacked by us, may Allah accept from us and you the honest deeds, and we ask Allah to join us with you to raise His words and support His religion."

"From here; from the folds of Bayt al-Maqdis and from the all-patient Gaza Strip, we send our hot greetings to our beloved sheikh the lion of the forefront, the sheikh of mujahideen Abu Abdullah, the mujahid sheikh Usama bin Laden, may Allah protect him, and to the Amir of [all] believers in the Islamic Emirate in Afghanistan Mulla Muhammad Omar, may Allah protect him, and to the Amir of believers in the Islamic State of Iraq Abu Omar al-Baghdadi, may Allah protect him, and to the Wiseman of the nation, the sheikh [and] doctor Ayman al-Zawahiri, may Allah protect him, and to all our leaders and elderly those steadfast on truthfulness everywhere. And, we ask Allah to make you from among the servants of whom He loves and graces, and to reward you the finale and reconciliation, He is the Lord of that and the most capable."

"Fourth: a proclamation to the mujahideen with their money, we tell them that Allah says [Verse]...your mujahideen brothers have a pact with Allah to carry their Jihad with pure legitimate money, from the money of people of Tawheed and Sunna, so O people of Islam: victory and victory, Jihad and Jihad. Know that what Allah has graced with of money is the money of Allah; he lent it to you and will be asking you about it to see what you are doing. Today, we are encouraging our Muslim nation to carry Jihad for the cause of Allah with self and money to liberate the walkway of its beloved one, Muhammad prayer and peace upon him."

"Allahu Akbar, endearment is to Allah, His messenger and the believers, but the hypocrites do not know. And, thanks due to Allah Lord of the Worlds. "

Your Brother,
Abu Abdullah al-Muhajir
