“In the name of Allah, the Compassionate, the Merciful... By the grace of Allah and thanks to his support, the highly-esteemed brother asdasd99—supervisor of the training forum on the Al-Firdaws jihadi network (who is also known as al-Miskin al-Muhajir on the Al-Ekhlaas web forum), has joined the convoy of jihad. Thanks to Allah, the brother has arrived [in Afghanistan] and joined his brethren. He is in good shape and enjoys Allah’s generosity. We ask Allah to grant him diligence. The brother, whom Allah graced us to have on the Al-Firdaws web forum, and the brothers learned much from him in his field. Many can testify that about him... may he put into practice what he has learned so well, in order to strike the enemies of Allah. We ask Allah that he will increase his good fortune. I have sat with the brother and spent my best nights with him; he is one of the best and dearest brothers.”

“It should also be mentioned that he excelled in his studies and a great future lies ahead of him; however, he prefers Allah and the Hereafter. I wanted to inform you of this good news so that the believers would be joyful from the success that Allah gives those who worship him, and they would be pleased by hearing of the existence of such good models who sacrifice their hearts and souls for the sake of Allah’s religion. Let Allah’s enemies become angry. No matter how many obstacles they set or how many doors they close, Allah’s light infiltrates everywhere, in spite of the hatred of the infidels... Do not forget me and my brother Al-Muhajir [and pray] that Allah will grant us with diligence and keep us safe in our religion...”

“Your brother who loves you, Sanafi al-Naser (Afghanistan).”
